ECON 201 or 202 is taken to satisfy both an ME major requirement and the Social Processes and Institutions bacc core area.

15 credits of Technical Electives are required. 4 credits must be designated as a Technical Elective with a lab.

* If MIME 101 is not completed by fall of second year with a C or better, replace MIME 101 requirement with 3 more credits of restricted technical elective.

Engineering Majors

ALL MAJOR AND SUPPORT COURSES (listed in orange and yellow) MUST BE TAKEN FOR A LETTER GRADE and passed with C or better.

Notes:

** Baccalaureate core classes can be completed any term in any order, except for WR 121 should be completed during the first year and Synthesis courses are typically taken closer to graduation than Perspective courses.

*** 15 credits of Technical Electives are required. 4 credits must be designated as a Technical Elective with a lab.
