

# The Evergreen Air & Space Museum

A guided VIP tour

McMinnville, Oregon (1-hour North of Corvallis)

---

Enjoy learning about lunar rovers, global space programs, the Spruce Goose, and other aerospace topics during a guided tour of the Evergreen Air & Space Museums hosted by the museum's Director of Education. This special VIP tour for SWE will include opportunities to sit in the cockpit of several aircraft, get up close and personal with the spy plane, hear about women in aviation, and other engineer-specific details. The museum is great for all ages so bring your friends and family and make a day of it! All are welcome. The discounted group rate for adult admission for 15+ participants is \$15 for a tour of both the Space and Air Museums. Transportation is not provided but carpooling is encouraged. The tours will begin at 1:00 PM in the lobby of the Air Museum, followed by informal networking and exploration on your own.

The Evergreen Air and Space museum rivals the Space Center of Seattle in the variety and quality of its displays. In addition to the extensive exhibits in the space museum, the aviation museum offers dozens of vintage aircraft on display, including the legendary Spruce Goose.
