The program of study will be audited to determine if it is accurate and it meets the minimum requirements for this degree as established by the OSU Faculty Senate. Please be sure that the following items are correct:

1. The correct degree is indicated in the first row. Please refer to and attach an unofficial copy of your transcript.
2. Student name, phone, ID number, email address, degree held, year the degree was awarded, and institution from which it was received are filled in.
3. The academic units, majors, and thesis or non-thesis are indicated.
4. If the degree includes a thesis, the program of study must include from 6 to 12 credits of XXX503 Thesis, where XXX is the course code of your major.
5. If the degree is non-thesis, the program of study must include 3 to 6 credits of project such as XXX501 or XXX506.
6. The maximum number of blanket numbered coursework credits is 24 on a 60 credit degree program or 9 on a 45 credit degree program.
7. A transfer symbol is indicated for each transfer course (T1 for the first university, T2 for the second, etc.).
8. Transfer courses have been approved by the student's major advisor and minor advisor if they are in the minor field. All transfer courses must be either:
 - a. Graduate courses taken at OSU while enrolled as a non-degree, undergraduate, or post baccalaureate student and not used to satisfy undergraduate degree requirements;
 - b. Graduate courses taken at OSU in a prior graduate degree program and falling within the limits of transfer credit accepted from one OSU graduate degree to a second OSU graduate degree (refer to current graduate catalog); or
 - c. Stand-alone graduate courses taken at other accredited universities but not used to satisfy requirements for a bachelor's, master's, or doctoral degree or international equivalents.
9. All courses listed as transfer courses must comply with policies :
 - a. be graded B, B+, A-, A, or A+ (no P/N, S/U, credit/no credit graded courses will be allowed), and
 - b. not have been used on a previous master's or doctoral degree, and
 - c. grades of "B" (3.00) or better have been earned.
10. Thirty (30) credits must be taken at OSU after having been admitted as a regular, degree-seeking graduate student. (Transfer courses, as defined above, cannot be counted toward this residence requirement.)
11. For each standalone graduate course a G is entered in the G column.
12. Each course in the major and minor has a title, abbreviated if necessary, a department code, a course number, number of credits and a grade, if the course has been completed.
13. Grades of non-transfer courses listed on this program will be either C or above, or P, or R for research.
14. The total number of credits of slash courses (the 5XX component of a 4XX/5XX course) is entered and the total number of graduate standalone (5XX or 6XX) credits is entered.
15. No more than 50% of the credits are slash courses (the 5XX component of a 4XX/5XX course). To determine if a course is a slash course examine the OSU course catalog for the term that you took 5XX course. If there is a 4xx course with the same title during the same term, then this is a slash course.
16. All plans must include evidence of training in the conduct of scholarly or professional activities in an ethical manner. OSU's GRAD 520 or CITI's appropriate RCR training modules, etc. are acceptable. For more information on the requirement, see http://oregonstate.edu/dept/grad_school/assessment.php.
17. The total number of credits must be at least 45. (Major/track may require more credits—check with them.)
18. All work toward this degree will be completed within seven (7) years. This includes transfer credits, all course work, all examinations, and final library copies of thesis, if applicable.
19. Major professor(s) must belong to the Graduate Faculty in the declared major(s). Minor professor(s), if applicable, must be a Graduate Faculty member in the declared minor.
20. Committee Requirements:
 - a. **MA, MBE, MCoun, MEng, MFA, MHP, MMP, MS, MocE, MPP, PSM:** *Non-Thesis:* The examining committee consists of three members of the graduate faculty—two in the major field and one in the minor field if a minor is included. When a minor is not included, the third member may be from the graduate faculty at large. *Thesis:* The examining committee consists of at least four members of the graduate faculty—two in the major field, one in the minor field if a minor is included, and a Graduate Council Representative. When a minor is not included, the fourth member may be from the graduate faculty at large.

Graduate School

MASTER'S PROGRAM OF STUDY

- b. **EdM:** Individual committees are usually not established for students in these programs. Each student will need to identify a Graduate Faculty member from the major department and Graduate Faculty member representing the minor department if a minor is declared.
 - c. **MF:** Two members of the Graduate Faculty from the major department; one member of the Graduate Faculty from the minor if a minor is declared, otherwise another member of the Graduate Faculty; and a Graduate Council Representative if a thesis is involved. The major professor is one of the two members representing the major department.
21. The program of study must be signed by the student, all committee members and the academic unit chair before being sent to the graduate school for final audit and approval.
